THINGS THAT I HAVE SEEN AND HEARD

I wish to extend to all the members of the Athletic Club, to all of our festival workers and volunteers, and to anyone who played any role whatsoever in the festival last weekend my heartfelt *Thank You* for all of the very hard work that was accomplished and made the festival a success. I do not have yet, as of this writing, any of the fiscal results of the festival, however I have been told by a few people that our crowds were comparable to last year, and that people were having a good time. One of the things that I like about St. Antoninus' festival is its family friendly atmosphere. I have been told numerous times by parishioners and non-parishioners who frequent the festival that St. Antoninus' festival is one of the most family friendly festivals around, and that is the reason that they choose to come here rather than to go to the three or four other parish festivals taking place on the same weekend. That is something for all of us to keep in mind and to take to heart. We are a family here at St. Antoninus, and we are called to cultivate and strengthen families, and our festival, and our Athletic Club and volunteers do play a role in that. It is a ministry, a labor of love, in the service of the Lord and His people, and it is precisely this for which I am very grateful.

Take Good Care,
Fr. Bryan

Happy Father's Day to all of our Fathers, Grandfathers, and Foster Fathers! As our culture continues to decline strong Fathers are critically needed to lead and protect our Catholic families. Again this year, we are giving Rosaries to all Fathers, and encourage them to lead their family daily in praying the rosary. The first of 15 Promises Our Lady made to St. Dominic is, *"To all those who shall recite my Rosary devoutly, I promise my special protection and very great graces"*. We are also distributing Sacred Heart prayer cards. Happy Fathers Day. Keep up your great work!

At the Masses next weekend, June 25 & 26, a Pallottine priest, who belongs to "The Society of the Catholic Apostolate", Fr. Walter Tuscano, SAC, will be here to speak about the missionary work of the Pallottines Fathers in India. Fr. Walter is presently serving in the diocese of Toledo, Ohio. Prior to this, he has worked as Secretary of their provincial Superior, and he has much knowledge of the missions in India. He is a member of the Assumption of the Blessed Virgin Mary Province, Bangalore, India.

The congregation of the Pallottine Fathers and Brothers is present in 50 countries all over the world. In India, the Pallottines have been involved in the work of evangelization for the last 64 years. Recently, they have taken up mission work in Taiwan. The Pallottines work in partnership with the laity throughout the world, furthering the church's mission to renew faith and rekindle love. The help and support of many generous people all over the world make it possible to continue God's work. Your own efforts to support the Missions all over the world are greatly appreciated. Know that when you give to the Missions, you give to a good cause. For more information on the Pallottines Fathers and Brothers, visit: www.pallotines.org

Are annulments just a Catholic version of divorce? Nothing could be further from the truth. The differences are profound, and much of the confusion springs from a misunderstanding about marriage itself. Bishop

Perry explains the key principles of the Sacrament of Marriage and applies them to divorce and annulments. This presentation answers the most commonly asked questions on this topic. *Find this DVD and others in the Lighthouse Media kiosk in the greeting room of the church.*

BUILDING AND GROUNDS REPORT

Our last meeting was held this past Monday, June 13. At the meeting, Phase 1 of the parish security project was discussed. This phase will address the school and its multiple exterior doors/entrances. Specifications are in the process of being created to allow for the fair and equitable evaluation of three quotes for this work. The goal is to have this work performed during the summer of 2017. It was also reported that the Security Committee has begun work on the second phase of the security project, campus lighting. Currently they are evaluating the current lighting.

There are several areas of our campus that could still use a little "TLC". Your talent is needed. If you are interested in tackling a project please contact Mike Simonson at 922-2500 x 2028.
