## Things I've Seen and Heard Musings of Fr. Bryan Reif

As I write this article, we are still awaiting the Supreme Court's decision in the Hobby Lobby Case over the HHS Mandate requiring employers to provide contraception coverage as a part of their health insurance, even if this violates the employers' religious beliefs, thereby forcing them to violate their conscience. By the time you read this, the decision will be known, and will have probably been talked about at length in the secular media, with analysts putting their spin on the issue every which way. This case, and its outcome is a serious matter that will have direct affect upon religious liberty, so regardless of the court's decision, whatever the decision has turned out to be, let us continue our prayers, asking Our Lord to continue to bless us, and to protect our religious liberty, and most of all, ask Him that His Will be done.

May all of you have a very happy July 4<sup>th</sup> holiday and weekend, and may Our Lord Jesus Christ continue to shower His blessing upon The United States of America, and all of us.

Take Good Care,  
Fr. Bryan

## CARE FOR GOD'S CREATION

**Reflection:** Loving Creator, help us to take the time to learn what our Church teaches about the environment and the consequences of our choices on the poor and vulnerable in our own country and around the world. Give us the gift of balance and concern in our day-to-day lives, protecting our environment and our one Earth. Amen.

*"Please, I would like to ask all those who have positions of responsibility in economic, political and social life, and all men and women of goodwill; let us be protectors of creation, protectors of God's plan inscribed in nature, protectors of one another, and of the environment." - Pope Francis, Homily for the Solemnity of St. Joseph, March 19, 2013.*

**Care for Creation Tip:** PRAY! Increasing your energy efficiency is like adding another clean energy source to our energy production that protects God's creation for ourselves and future generations. We should consciously do all our "greening" activities as a practice of our faith life. Pray always!
